From the Grand Chef de Gare

Hello Fellow Voyageurs,

I hope this finds you all well. As 2025 comes to an end, I look back at the great accomplishment we have made as the 40/8, but I also remember the tragedies that have happened. So, as we gather with our families please remember that not everyone is able to gather with their family. There are many who have lost loved ones this year let us keep them in our prayers.

Please give your full support to your local charities and support programs to help the many children who would not get a Christmas present, or a homeless person who has nowhere to go. Thank you each and every one for what you are doing and I look forward to working with each of you in the New Year.

I hope to get to the Voitures I have not made it to yet so if you have an event coming up before June let me know and I will try to make it to your Locale.

The Spring Cheminot is just around the corner, I hope to have a good turnout for that. It will be in Round Rock with our newest Voiture so please come out and support them. Hotel information and registration information is in the TVN.

It has been an honor to serve you as Grand Chef de Gare. I look forward to working with you all in 2026.

Jim Sweeney
Grand Chef de Gare

Wishing all of you a very Merry Christmas and Happy New Year.

Jim & Donna Sweeney

C O R R E S P O N D A N T ' S

Greetings from El Paso and the Franklin Mountains where bighorn sheep have now been reintroduced into our area. All of us in El Paso extend our best wishes for this holiday season, which means we come to the end of our calendar year and almost half of our membership year is gone.

Our Nationale Constitution states that those who have not renewed by December 31st are no longer in good standing. That being said, it is important that we push membership reminders out to those who have not yet renewed. This also gives us an opportunity to reach out to those that we may not have been in contact with recently to see how things are going, especially in this holiday season.

Things to check as we begin the new year - do you have all of the correct addresses, emails and phone numbers of your members. We normally use the transmittal card to correct all of this information. You may send corrections to me and I will see that they get to Nationale. This is significantly important for Locale Chefs de Gare and Correspondants if that information has changed.

Do you have all of the most current manuals? The most current Ritual and Manual of Ceremonies is dated September 19, 2024. There are changes, especially in the Ritual and it is important to have the most updated manual. The Officer and Correspondants Manual has also been updated. I picked a copy up at Nationale and it is extremely helpful. All current manuals are available for a modest fee from our emblem sales at www.fortyandeight.org

P.A.L.S. Many may not know, I am no longer the Nationale Directeur for Public Relations but am now the President of the Press Association of La Societe also known as P.A.L.S. I am sending the December issue of our newsletter, *The Bulletin*, out to all in Grand that I have contacts for. This is to encourage membership in our Press Association and encourage more participation in public relations at the Locale level. Membership and dues are only \$10.00 and you receive official press credentials and our monthly 12-page newsletter.

Blue Chevaliers: Many in Grande du Texas are members of the Blue Chevaliers - please check your card to see if it is time to renew - 2026 is soon upon us. Renewals are only \$10.00 per year or you can renew membership for ten years for only \$45.00. I am currently acting as the Nationale Coordinator so contact me for any information. Dues are also sent to me.

So, as we approach and begin the new year, we must resolve to "foster and perpetuate" our duties and responsibilities in La Societe and to grow our organization. Happy New Year and blessings to all.

Renslar "Renny" Keagle, Nationale Coordinator

Nurses Training: For the Cheminot, applications for Grand Nursing Scholarship must be accompanied by their original application, verification that they are still in good standing at their school, current transcripts and verification of the number of hours being carried. Bring multiple copies for the Nurses training Committee please. I have some nurses training pins available and will see that they get to the Cheminot.

01 December 2025

Greetings to all my fellow Voyagers,

Well folks it looks like Winter has arrived here in the Midwest. I spent the better part of my Football Sunday shoveling myself out here in Wisconsin. Steady and slow with a lot of breaks. We were cursed with about 6 to 8 inches of the heavy wet snow. This too shall pass come May.

Please continue to support all our programs as they all fall under what we do as great Americans and please share with me what you are doing around our country. I would very much like to hear from you.

I have set up a Zoom meeting to discuss our platform for our Americanism program this year. If you would like to get in on this and you did receive an email with the check-in link, please let me know, It is scheduled for December 17th at 6:00 PM CST. I hope for a good showing and great round table discussion.

It is time to start thinking of nominees for our 2026 Americanism Award winner. Submissions are due by June 1st. Please think of a candidate from your Grande. The requirement information is on our Nationale Website. Please start looking. It is also a good time to start recording information for the Americanism Communique report if not already been doing so. It will be due before you know it.

Being the time of year as it is I am asking all of you to do one simple thing as a Veteran and the great Americans I know you all are. Please check on a fellow Veteran whether it be a Voyageur or not that you know and have not talked to in a while. This can be a lonely time of year for some of us. Just Please, make a phone call or send a letter letting them no you are thinking about them. Thank you in advance.

I have signed up to attend the Twister Wreck in Wichita held this coming February. I have never attended before and am looking forward to it,

In closing this letter I just want to say how great I think this year is going to be with us all working our programs together and remember Communication is Key. Thank you to all of my Sous Directeurs and the Grand Americanism Chairman for all your hard work so far this year.

If you have any questions, I am only a phone call or email away. Please reach out.

Have a safe and blessed Merry Christmas and or Holiday Season and a Happy New Year.

Yours in Service. Until next time.....

30 November 2025

Monsieur's and Madame's

November has passed by in a hurry. Family and friends provided lots of activities to help keep us excited. It was a busy time for several reasons. First of all it was the Marine Corps 250th Birthday. On Saturday the 8th I attended a semi formal Birthday Celebration with the Marine Corps League. November the 10th consisted of a Birthday breakfast followed by Birthday Cake.

Veterans Day was celebrated by attending our annual Veterans Day Parade at Fort Vancouver National Site, followed by 30 tables set up with ALL Services handing out information about the many resources to help all interested parties.

Thanksgiving gave us a good chance to be with family once again. The food was plentiful and the fellowship could not be beaten. I have almost recovered from the cornucopia goodies that were consumed. I hope that everyone has had a wonderful month and recover quickly from the great meals that were presented.

As always, I like to remind everyone that our 40/8 Programs continue. The 2026 POW/MIA Pins are available for purchase or consignment. The design of the 2026 Pin will be added to the POW/MIA Program file in the Emblem Sales website. Previous years pins are also available at a discount, while some may be free for the asking.

DO NOT FORGET OUR FOUR GOALS:

1. Raising our POW/MIA Survivor Scholarship Fund Awareness
2. Merchandise Sales
3. Consolidated Reports
4. POW/MIA Pin Design

Steve Slegers

FLAGS FOR FIRST GRADERS PROGRAM / VOITURE 605, EL PASO, TX

Voiture 605 was on the move again - this time at Crockett Elementary. Chef de Gare Passe Mike, Chef de Gare Alison & Dir. of Americanism William presented Flags for First Graders to this school for the first time.

The doors were first opened on November 29, 1920. At that time, the school was called Manhattan Heights School. The school opened with 360 students and 8 teachers for grades kindergarten through sixth grade. In 1922, the board approved the renaming of the school to Crockett School, to commemorate the life of David Crockett, a hero of the Alamo.
